(Verse)

Sorry if Iâ€™m speaking out of line,  
But I donâ€™t want this night to be over,  
I donâ€™t want it to end.

Cause it seems like when our worlds collide  
It just donâ€™t feel right not to hold you,  
Itâ€™s getting hard to be friends.

(Pre-Chorus)

Do you feel what I feel the closer that we get  
Itâ€™s almost like thereâ€™s a force that we canâ€™t resist.

(Chorus)

Baby, tell me why, why you wanna stop  
Whatâ€™s happening inside itâ€™s bigger than you and  
me,  
Itâ€™s like weâ€™re fighting gravity.  
Even if we run weâ€™ll be like a shadow  
Running from the sun, something you canâ€™t escape.  
Itâ€™s gonna pull you back to me.  
Youâ€™ll be fighting, fighting, fighting gravity,  
Fighting, fighting, fighting gravity,  
Fighting, fighting, fighting, fighting gravity.

(Verse)

Baby, look up at the universe,  
Some things attract to each other,  
Like the planets and stars.

Even though I canâ€™t read your mind  
You know you think about it all the time,  
So whatâ€™s keeping us apart?

(Pre-Chorus)

Do you feel what I feel the closer that we get  
Itâ€™s almost like thereâ€™s a force that we canâ€™t resist.

(Chorus)

Baby, tell me why, why you wanna stop  
Whatâ€™s happening inside itâ€™s bigger than you and

me,  
It's like we're fighting gravity.  
Even if we run we'll be like a shadow  
Running from the sun, something you can't escape.  
It's gonna pull you back to me.  
You'll be fighting, fighting, fighting gravity,  
Fighting, fighting, fighting gravity,  
Fighting, fighting, fighting, fighting gravity.

(Bridge)

You gotta hold, you gotta hold, you gotta hold on me,  
You gotta hold, you gotta hold, you gotta hold on me,  
You gotta hold, you gotta hold, you gotta hold on me,  
You gotta hold, you gotta hold, you gotta hold, like  
gravity.

(Chorus)

Baby, tell me why, why you wanna stop  
What's happening inside it's bigger than you and  
me,  
It's like we're fighting gravity.  
Even if we run we'll be like a shadow  
Running from the sun, something you can't escape.  
It's gonna pull you back to me.  
You'll be fighting, fighting, fighting gravity,  
Fighting, fighting, fighting gravity,  
Fighting, fighting, fighting, fighting gravity
