Feat. New Edition

Hmmmm, oh, ooh
C'mon

I see you pullin' up in your car
And there's something on your mind
Like you've been drivin' around the whole night
Then you're pullin' up next to mine

I lift the hood and look up under
From the front and to the bumper
Roll the window up and lock the door
Cause I'm gonna bring rain and thunder

I'll fill you up, up
If you wanna get some
I'll pump you up, up
Cause I got the premium
I'll fill you up, up
I'll pump you up, up
To the tip top
Drip, drop, don't stop
Don't stop

You ain't gotta do it yourself, baby
I'ma give you the full service, you'll see
You ain't gotta gotta be nervous, nervous
I'ma give you, give you full service, service
You ain't even gotta get out your seat
I'ma give you that full service, you'll see
You ain't gotta gotta be nervous, nervous
I'ma give you, give you full service, service

See you pullin' up to the bar
And there's somethin' on your mind
Like you've been hangin' around the whole night
Just sittin' there sippin' your wine

I'll pop the cork up and tip your glasses
I'll wipe it up if your drink splashes
Send the check my way tonight, you don't pay

'Cause I wanna protect your assets

I'll fill you up, up
If you wanna get some
I'll pump you up, up
Cause I got the premium
I'll fill you up, up
I'll pump you up, up
To the tip top
Drip, drop, don't stop
Don't stop

You ain't gotta do it yourself, baby
I'ma give you the full service, you'll see
You ain't gotta gotta be nervous, nervous
I'ma give you, give you full service, service
You ain't even gotta get out your seat
I'ma give you that full service you'll see
You ain't gotta gotta be nervous, nervous
I'ma give you, give you full service, service

You ain't gotta gotta be nervous, nervous
I'ma give you, give you full service, service
You ain't gotta gotta be nervous, nervous
I'ma give you, give you full service, service

You're gonna see
How good it could be
Anything you need I'ma step right up
And it's on me ain't no doubt
I'ma work it on out

You're gonna see
How good it could be
Anything you need, I'ma step right up
And it's on me ain't no doubt
I'ma work it on out

You ain't gotta do it yourself, baby
I'ma give you the full service, you'll see
You ain't gotta be nervous, nervous
I'ma give you, give you full service, service
You ain't even gotta get out your seat
I'ma give you the full service, you'll see
You ain't gotta be nervous, nervous
I'ma give you, give you full service, service

You ain't gotta do it yourself, baby
I'ma give you the full service, you'll see
You ain't gotta be nervous, nervous
I'ma give you, give you full service, service

You ain't even gotta get out your seat
I'ma give you that full service, you'll see
You ain't gotta be nervous, nervous
I'ma give you, give you full service, service
