Action

Games, games, games, games, games, games
Hey, games

Somebody said somebody wouldn't last too long
Somebody's still going strong
Somebody said somebody was all a front
Somebody's still talking junk

Think of what you say, think of what you do
Think of what you try to put us through
We're just singing our song
When you put us down, it ain't gonna get you nowhere
We're positive and no matter what you think we really
care
Games, oh ee oh, ohh, games, games, games, games,
games

Somebody said somebody worked too hard
Somebody gotta charm some hearts
Somebody said everybody's gonna wait and see
What's gonna be is gonna be

Think of what you say, think of what you do
Think of what you try to put us through
We're just singing our song
When you put us down, it ain't gonna get you nowhere
We're positive and no matter what you think we really
care
Games, oh ee oh, ohh, games, games, games, games,
games
Games, oh ee oh, ohh, games, games, games, games,
games
Games

Yeah, people keep on fronting on the bean town posse
But it's time to step up to the stand
'Cause we ain't going out like that
Back, huh, stronger than ever, did you think we'd
sever?
Never, we're too clever to be taken down clown
By your ignorant state of mind, I ain't blind but

Every time I look I find you dissin' a mission that
Strictly be righteous, we gotta fight this so now I think I
might just
Take a stand, man, like never before, and I'm sure
That we'll endure so now it's time to even the score
I hear you knocking me but you ain't shocking me
'Cause jealousy is telling me that you're just jocking me
So keep on talking skee, with pride I'm walking see
Because on any body's block is where I'm gonna be
rockin' gee

Don't play those games
Oh ee oh, ohh, stop playing those games
Oh ee oh, ohh, stop playing those games
Oh ee oh, ohh, stop playing those games
Oh ee oh, ohh, you better stop playing those games
Oh ee oh, ohh, stop playing those games
