Happy birthday to you, this is your day
On this day for you, we're gonna love you in every way
This is your day, your day
Happy birthday to you, to you, to you

Happy birthday to you, you're so young
Age is just a number, don't you stop having fun
This is your day, your day
Happy birthday to you, to you

This day only comes once every year
Because you're so wonderful
With each and everything you do, hey

Happy birthday to you, this is your day
On this day for you, we're gonna love you in every way
This is your day, your day
Happy birthday to you, to you

This day is only for you
'Cause you're so special in every way
Happy birthday to you
