Girl, my heart is in your hands  
I need you to understand  
Please, swallow your pride  
I want you to be my guide

Girl, I love you, I want you  
Oh, how I care  
When you need me, I'll be there  
I need you, yes, I do

Girl, girl my love is all for you  
No one else will ever do  
Please, open your heart  
And let in a brand new start

Girl, I love you, I want you  
Oh, how I care  
When you need me, I'll be there  
I need you, yes, I do, girl, I need you

Girl, in me you got to believe  
I'll be loving you and this you will see

I need you, yes, I do  
Girl, I need you, yes, I do  
Girl, I need you, I need you, yes, I do  
Girl, I need you

Baby, you gotta know how much I want you  
I need you oh so much, I love you, girl
