Talk Intro...Girl I just can't live without you
(Verse) I know that I hurt you
That's the last thing I meant to do
Sometimes I can be careless and blind
Can you forgive the fool that I've been?
You know I love you
You're the one thing I have that's true
My life used to be nothing to me
I never want to feel that again
(Chorus) I'f you go away girl
You're taking my heart with you
If you go away, girl
You'd be breaking my heart in two
If you'd only stay, girl
I'd promise you the world

So please don't go away, girl
(Verse) You know I need you
I'm so sorry that I made you cry
You are everything good in my life
Your tears have finally opened my eyes
(Chorus)
(Verse) I was so wrong to ever look at another
Baby, even the strongest may stumble and fall
I'd do anything for you
Anything to be in your arms again
Don't let this be the end
(Chorus)...(out)
