Yeah

(Verse) I'm not that kind of guy

Who can take a broken heart

So don't ever leave

I don't want to see us part

The very thought of losing you means

That every thing would go down under

(Chorus) I'll be loving you forever

Just as long as you want me to be

I'll be loving you forever

All this love is for you and me

I'll be loving you loving you

The things you do

Yeah is forever

I'll be loving you, I'll be loving you

(Verse) I've found the blessings to keep our love new

There's one for me

And a million for you

There's just so much that I want to say

When I look at you

All my thoughts get in the way

(Chorus) x4

(Verse) We've gone so far to ever turn back now

This love will last forever

And seeing long after

I'll be loving you

The things you do, is forever

I'll be loving only you, girl

Oh girl

I'll be loving only you, girl
