Yeah

I'm not that kind of guy  
Who can take a broken heart  
So don't ever leave  
I don't want to see us part

The very thought of losing you means  
That everything would go down under

I'll be loving you forever  
Just as long as you want me to be  
I'll be loving you forever  
All this love's for you and me, yeah

(I'll be loving you)  
I'll be  
(I'll be loving you)  
Loving you  
(The things you do)  
Yeah, it's forever  
(I'll be loving you)  
I'll be  
(I'll be loving you)  
Loving you, yeah

I count the blessings  
That keep our love new  
There's one for me  
And a million for you

There's just so much that I want to say  
But when I look at you all my thoughts get in the way

I'll be loving you forever  
Just as long as you want me to be  
I'll be loving you forever  
All this love's for you and me, yeah

(I'll be loving you)  
I'll be  
(I'll be loving you)

Loving you  
(The things you do)  
Yeah, it's forever  
(I'll be loving you)  
I'll be  
(I'll be loving you)  
Loving you, yeah

We've learned to fall to every turn by now  
This love will last forever, I can see it all now

(I'll be loving you)  
I'll be  
(I'll be loving you)  
Loving you  
(The things you do)  
Yeah, it's forever  
(I'll be loving you)  
I'll be  
(I'll be loving you)  
Loving only you, girl

Oh girl, I'll be loving only you  
(I'll be loving you)  
(I'll be loving you)  
Be loving you girl
