Did you ever really start to cry over something you just wrote?

Well I'm writing you, my dear st. nick, it's the saddest little note.

Is it fair come this christmas eve that I should be alone,
When he knows how much I'm missing her, would you kindly bring her home?

This boy's letter to santa claus it's gonna tear him up,
When he reads how much I'm missing her it's gonna tear him up.

I'm sure if all his reindeers could arrange room on his sleigh

Then I'd receive a big bright package and she'd be mine today.

I'll be missing you come christmas, wishing hard, my dear,
Missing you come christmas, wishing you were here.

Did you ever really start to cry over something that was said?

Well, I'm writing you, dear santa, it would be the saddest thing you ever read.

Is it fair come this christmas time that I should be without you,

You know how much I need you, girl, won't you kindly help me through?

This boy's letter to santa claus it's gonna tear him up,
When he reads how much I'm missing her it's gonna tear him up.

I'm sure he'll write a special note to remind him christmas eve

That he has to mend a broken heart that believes in make believe.

I'll be missing you come christmas, wishing hard, my dear,

Missing you come christmas, wishing you were here.

Right above his V.I.P. we'll be ranking number one,
No sadder request will he receive he'll know it has to be
done.

Hey, santa, if you're my friend, please take heed, it's
not pretend.
This boy's letter to santa claus it's gonna tear him up,
When he reads how much I'm missing her it's gonna
tear him up.
I'm sure if all his reindeers could arrange room on his
sleigh
Then I'd receive a big bright package and she'd be
mine today.

Oh, santa, I'll be missing you come christmas, wishing
hard, my dear,
Missing you come christmas, wishing you were here.
missing you come christmas...
now ill be missing you
missing you come christmas, ill be wishing you were
here.

missing you come christmas.....
