Peace  
Real love ahh ha ha  
Things are lookin' kind of right tonight

Oh baby,

Yeah girl, you always seem to make me feel so good  
inside

What about you and me?  
We were supposed to play for keeps.  
Home grown from the streets,  
The jungle in our reach

It ain't about bein' a hood  
When you touch me like you should,  
I'll rule every day  
You let me in your world.

Hey

You see through of these years our, our love remains,  
The moon will never let the tide go away  
Through the pleasure and pain,  
Through the sunshine and rain,  
Baby, we keep on smilin'  
Keep on smilin'  
Through the laughter and tears  
And all of the years,  
Baby, we keep on smilin'

Everybody sing say  
Baby, keep smilin', aww-smilin' for me,  
C'mon now baby, keep smilin', keep on smilin'  
Everybody sing say  
Baby keep smilin' hey-smilin' for me  
C'mon now baby keep smilin', keep on smilin'

Headin' out to the beach, yeah  
Trying to claim a few rays  
Rolled over on me  
Pieces of the flame

Jumped in the back seat, damn  
We're gonna taste the grape,  
Red and white they both go,  
We're cruisin' the way.  
Heyyyy

Ya see through all these years our, our hearts are gay  
The moon will never let the tide go away  
Through the pleasure and pain,  
Through the sunshine and rain,  
Baby, we keep on smilin'  
Baby keep on smilin'  
Through the laughter and tears  
And all of the years,  
Baby, we keep on smilin'

Everybody sing say  
Baby, keep smilin', aww-smilin' for me, come on now,  
Baby, keep smilin', keep on smilin'  
Everybody sing say  
Baby keep smilin' hey-smilin' for me  
Everybody c'mon baby keep smilin', keep on smilin'

That's right, pretty girl, no matter how hard things  
might get, you can always count on me.

Oh, you see through all these years our, our hearts are  
gay  
The moon will never let the tide go away  
Through the pleasure and pain,  
The sunshine and rain, (sunshine)  
Baby, we keep on smilin'  
Baby keep on smilin'  
Through the laughter and tears  
And all of the years,  
Baby we keep on smilin'

Everybody sing say  
Baby, keep smilin', hey-smilin' for me, come on now,  
Ohh baby, keep smilin', keep on smilin'  
Everybody sing say  
Baby keep smilin' hey-smilin' for me  
C'mon baby keep smilin', keep on smilin'

Smilin' (fades)

Make love to me
