Hey girl  
Do you love me?  
Yes  
Well, I'm going try something with you  
So don't be shy  
Are you ready?  
Of course, baby  
Let's go

You go hit the lights  
I'll set up the camera  
Lets get to the action

You go hit the lights  
I'll set up the camera  
Lets get to the action

I've been thinkin' about this for some time  
I've got a feaky temptation, burning deep inside

You see the scripts already wrote  
The bedroom is a set  
I hope you know your lines  
'Cause one take is all we get

Now hit the lights  
I'll set up the camera  
Lets get to the action

You go hit the lights  
I'll set up the camera  
Lets get to the action

By the time this is over  
Girl, I'ma make you a star  
You ready? 1-2-3-4

Directin' and producin'  
And you're the leading lady in the show  
(You're the leading lady, baby)  
No body double needed  
'Cause I do all the stunts on my own

(Believe that)

That you can turn your phone off  
All be quiet on the set  
You'd better know your lines  
'Cause one take is all we get

You go hit the lights  
I'll set up the camera  
Lets get to the action

You go hit the lights  
I'll set up the camera  
Lets get to the action

You go hit the lights  
I'll set up the camera  
Lets get to the action

You go hit the lights  
I'll set up the camera  
Lets get to the action

We goin' rewind  
Go one more time  
Play back our love  
On the wide screen

Baby don't stop  
Until I say cut  
Camera's off, camera's out  
Keep it rollin'  
(Can we roll it)  
(Can we roll it)  
(Can we roll it)  
(Roll, roll, roll, roll, roll, roll, roll.....)

Baby, let yourself go
