My favorite girl, oh
She's my favorite girl
Don't you know
My favorite girl, oh
She's my favorite girl

You walked into my life
Your love was so new
And nothing will ever change
My feelings for you

Well, you were so far away
Now I am close to you, girl
So let us run away
Our heart that's waiting will stay

My favorite girl, oh
She's my favorite girl
Don't you know
My favorite girl, oh
She's my favorite girl

There's so much I like in you
I can't go on
I wanted a girl like you
I've looked so long

Girl, nothing will make us wrong
I know our love is too strong
Let's leave the rest behind
Our dreams ask what we will find

My favorite girl, oh
She's my favorite girl
Don't you know
My favorite girl, oh
She's my favorite girl

My favorite girl, oh
She's my favorite girl
Don't you know
My favorite girl, oh

She's my favorite girl

She's my favorite girl
The one I'm always thinking of
That the one
My favorite girl
The one I love
It's too strong

My favorite girl, oh
She's my favorite girl
Don't you know
My favorite girl, oh
She's my favorite girl

My favorite girl
She's my favorite girl
You look so sweet
You make my heart skip a beat
Yeah yeah yeah
She's my favorite girl
She's my favorite

Hey girl don't you know
You're the one I need
And girl I need, I need
I need, I need your love

My favorite girl, oh
She's my favorite girl
Don't you know
My favorite girl, oh
She's my favorite girl

My favorite girl, oh
She's my favorite girl
Don't you know
My favorite girl, oh
She's my favorite girl
