Yea, yea, yea, yea yea, yea, (hey writer)

It was our story book love,
Full of things that we dream of
Filled with fiction, make believe (make believe oh oh)
You were so one of a kind
There's no words that could define
Everything you meant to me

And girl, I gave my love, I gave my love...
And you just broke my heart in two, in two...
And now I gotta start again, again...
So, baby this must end, girl, this is it yeah

Chorus:

It's officially over, it's officially over
There ain't nothing you can say that can fix your wrong
It's officially over, it's officially over
There ain't nothing you can say that can fix your wrong
It's officially over...

You pretended the whole time
What you told me was a lie
For your info was falsified

It is too late to shed tears (shed tears)
Cause there is no love left here (left here)
The only thing left to say is goodbye

And girl, I gave my love, I gave my love...
And you just broke my heart in two, in two...
And now I gotta start again, again...
So, baby this must end, girl, this is it yeah

Chorus

It's officially over, it's officially over (it's official girl)
There ain't nothing you can say (can say to me) that
can fix your wrong
It's officially over, it's officially over
There ain't nothing you can say (can say) that can fix
your wrong
It's officially over...

There's nothing we need to talk about
And I don't wanna work it out
Girl, you told me lies, broke me down, wasn't true
For that reason, girl, I gotta be leaving you

There's nothing we need to talk about
And I don't wanna work it out
I ain't gonna front, girl, you made a grown man cry
There's only one thing to do...

It's officially over, (it's officially over) it's officially over
There ain't nothing you can say that can fix your wrong
(that can fix your wrong)
It's officially over, it's officially over (it's officially over)
There ain't nothing you can say (nothing you can say to
me) that can fix your wrong
It's officially over... (it's official)
It's officially over...
There ain't nothing you can say that can fix your wrong
It's officially over...
It's officially over...
There ain't nothing you can say (nothing you can say)
that can fix your wrong
It's officially over...
Ohhh officially, officially
Officially, officially
