Hey, sexy body, keepin' low key, is with nobody  
Chillin' in the spot, so hot  
Fellas walk by her and they wanna try to  
Get up in your face and holler  
Talk about what they got

Don't they know that you're not that type of  
Girl to take 'em home for one night, no  
You just came to have a drink

Chorus:

Put it on my tab, I'm buying, I'm sending a bottle your  
way  
Put it on my tab cause you had a long day, day  
Put it on my tab, I'm buying, I'm sending another your  
way  
Put it on my tab, keep doing your thing, thing  
Put it on my tab, oh.. put it on my tab, oh..

Hey, pretty lady, lookin' at you,  
I'm thinking maybe I can slide up and talk  
Feel my active, feeling attraction,  
Gotta brother thinking of asking if I could know your  
name,  
Your age, your sign, what's on your mind

Now, you might think that I'm the type of cat,  
That wants to hit it tonight  
But I just came to have a drink

Chorus

(Akon) Hey Mr. Bartender, please make a pina cololada  
Hold the alcohol, please  
And whatever baby girl is sippin' on right there,  
You can tell her, her drinks on me  
Cause we got money to burn, as if it really does grows  
on trees  
Cause her beautiful body got me willing to party  
And she got a big hold on me  
And she's holding, oh yes, she's holding, yeah..

Holding on as much as I'm holding back  
Steady, tryin' to wanna keep her mind on me  
Got me sold, oh yes, I'm sold, yeah..  
You're the reason why I'm tossing these stacks  
As a matter of fact, tonight the drinks free

Chorus 3x
