Hey, sexy body, keepin' low key, is with nobody  
Chillin' in the spot, so hot  
Fellas walk by her and they wanna try  
And get up in her face and holler  
Talk about what they got

Don't they know that you're not that type of  
Girl to take 'em for a one nighter  
You just came to have a drink

Chorus:

Put it on my tab, I'm buying, I'm sending a bottle your  
way  
Put it on my tab cause you had a long day  
Put it on my tab, I'm buying, I'm sending another your  
way  
Put it on my tab, keep doing your thing  
Put it on my tab, oh..

[Put It on My Tab featuring Akon Lyrics On ]

Hey, pretty lady, lookin' at you,  
I'm thinking maybe I can slide up and talk  
Feel my active, feeling attraction,  
Gotta brother thinking of asking if I could know your  
name,  
Your age, your sign, what's on your mind

You might think that I'm the type of cat,  
That wants to hit it tonight  
But I just came to have a drink

Chorus

Akon: Hey Mr. Bartender, please make a pina cololada  
Hold the alcohol, please  
And whatever baby girl, is sippin' on,  
You can tell her, drinks on me  
Cause I got money to burn, as it really does grows on  
trees  
Cause her beautiful body got me willing to party  
And she got a big hold on me  
She's holding, oh yes, she's holding

Holding on as much as I'm holding back  
I wanna keep her mind on me  
You're the reason why I'm tossing these stacks  
As a matter of fact, tonight the drinks on me

Chorus 3x
