"Sexify My Love"

Visit "[Sexify My Love](#)" on MotoLyrics.com

Sexi, sexi, sexi, sexi
Sexi, sexi, sexi, sexi

Damn, baby I feel it, can't conceal it
Gotta reveal it
'Cause I'm in the mood to give it to ya
Girl, we gotta concentrate
But now we're gonna consimate, so let's conversate
'Cause I think it's time that we became one love

Um, your body
Girl, I'm gonna get it started
It's our own little private party
Forget about tomorrow right now
Right now, we can live forever tonight
Right now, right now
Freakin' it however you like

Sexify my love
Give into my touch
Baby tonight I'm gonna set you free
Sexify my love
Let you find it all
Baby surrender all your lovin' to me
Sexify my love
Sexify my love (yeah)

Girl, don't be shy
You're lookin' so fly
Tonight I'm gonna try
Every position we can dream of
Ooh bang
All over the house
Workin' that thing girl
Makin' you shout
Take it fast, slow
Now do it like a pro
Slide down on your waist, and get low, low

Ooh, your body
It's an all new private party
Let's do this, let's get started

Forget about tomorrow
Right now, right now
We can have forever tonight
Right now, right now
Freakin' it however you like

Sexify my love
Give into my touch
Baby tonight I'm gonna set you free
Sexify my love
Let you find it all
Baby surrender all your lovin' to me

I don't care where we are
On the hood of my car
Out in public makin' love in the streets
I won't look back at all
We can do anything you want
I'll give you heaven while we mess up the sheets

Sexify my love
Give into my touch
Baby tonight I'm gonna set you free
Sexify my love
Let you find it all
Baby surrender all your lovin' to me

Sexify my love
Give into my touch
Baby tonight I'm gonna set you free
Sexify my love
Let you find it all
Baby surrender all your lovin' to me

Sexify my love
Give into my touch
Baby tonight I'm gonna set you free
Sexify my love
Let you find it all
Baby surrender all your lovin' to me

Sexify my love
Give into my touch
Baby tonight I'm gonna set you free
Sexify my love
Let you find it all
Baby surrender all your lovin' to me
