She always gets her way  
She told me this is how its gonna go down  
and nows theres no escape  
There aint nobody here to save me now

As she comes closer  
The air gets colder  
Sending shivers down my spine  
And I feel her hands all over my body  
And I know im running out of time

That girl is a killer  
Killer  
Killer  
Shell hit you and run

Girl is just a killer killer  
You know shes only it in for the fun  
Im barely bleeding on floor  
still beggin her for more,  
oh what a sweet way to die  
That girl is a killer killer  
Ill see you on the other side

She got me counting every breath I take (yeah)  
and now my heart is beating so damn loud  
and her sexy shadows hanging over me  
im feeling like  
my legs are frozen in to the ground

As she comes closer  
The air gets colder  
Sending shivers down my spine  
And I feel her hands all over my body  
And I know im running out of time

That girl is a killer  
Killer  
Killer  
Shell hit you and run

Girl is just a killer killer  
You know shes only it in for the fun  
Im barely bleeding on floor  
still beggin her for more,  
oh what a sweet way to die  
That girl is a killer killer  
Ill see you on the other side

Killer Killer  
Girl is just a killer x 4

That girl is a killer  
Killer  
Killer  
Shell hit you and run (whoa)

Girl is just a killer killer  
You know shes only it in for the fun (whoa)  
Im barely bleeding on floor  
still beggin her for more,  
oh what a sweet way to die  
That girl is a killer killer  
Ill see you on the other side

Killer Killer  
Girl is just a killer x 4
