I still get lost
Caught in a daze,
Tongue tied,
Just like the very first day

I saw you
And I'm so amazed
Cause the look that got me twisted
Still hasn't changed

Your sexy eyes never lie,
Baby, I lose myself
(When they open)
Girl, forget about goin' out
Baby, I got the moves
(I'm hoping)

I can just stare
At you... forever
Oh, baby
I can be here
With you... doing whatever
My lady
It's not the way you look
That brings me to my knees,
It's the way you look at me
I could just stare
At you... forever
If forever you were staring at me

What do you see
I can't figure it out
You're talking to my heart
Without making a sound

I can't lose
When I'm caught in your eyes
I feel like superman
Got me up in the sky

Your sexy eyes
Never lie

Baby, I lose my ground
You're so gorgeous, oh
Forget about goin' out
Baby, I want you now

I can just stare
At you... forever
Oh, baby
I can be here
With you... doing whatever
My lady
It's not the way you look
That brings me to my knees,
It's the way you look at me
(Keep lookin at me, girl)
I could just stare
At you... forever
If forever you were staring at me

Baby, keep the lights on
I'm gonna stare at you all night long
And we'll keep rocking 'til the sun shines
Waiting 'till the moonlight to do it again

I can just stare
(I could just stare)
At you... forever
(All the time, all the time)
Oh, baby
I can be here
(Right here)
With you (with you)
Doing whatever
My lady
Girl,
It's not the way you look
(It's not the way)
That brings me to my knees,
(You look)
It's the way you look at me
So keep lookin' at me
I could just stare
At you forever
If forever you were staring at me
