I got everything in the world
Whatever you need, come here fast
Cause I wouldn't have nothing without you
And I'm so thankful girl, I could have nothing without
you
Girl, you are my world

cause baby, you know I love you
So take my breath away
I don't need nothing, I got you
So take the rest away
Cause girl, you take my words
You deserve girl, you deserve my everything
Cause baby, you know that I love you
So take my breath, take my breath
Take my breath away

You are all I need in the world
Because everything is what you're worth
And I wouldn't have nothing without you
I'm so thankful girl, I wouldn't have nothing without you
Cause girl, you are my world ooh ooh

Cause baby, you know I love you
So take my breath away
I don't need nothing, I got you
So take the rest away
Cause girl, you take my words
You deserve girl, you deserve my everything
Cause baby, you know that I love you
So take my breath, take my breath
Take my breath away

Don't need money, just need you
Don't need nothing, just need you
Take all me, it's cool
Don't need nothing, I just
Don't need money, just need you
Don't need nothing, just need you
Take all of me, it's cool
Don't need nothing, I just need you

Cause baby, you know I love you
So take my breath away
I don't need nothing, I got you
So take the rest away
Cause girl, you take my words
You deserve girl, you deserve my everything
Cause baby, you know that I love you
So take my breath, take my breath
Take my breath away

So take my breath away
I don't need nothing, I got you
So take the rest away
Cause girl, you take my words
You deserve, girl, you deserve my everything
Cause baby, you know that I love you
So take my breath, take my breath
Take my breath away
You take my breath away
Take my breath away
Take my breath away
Take my breath
