You wanna feel,
I'll let you feel,
Come over here,
You know what love
Could do to you

You know that cuts, scars, bruises hurt
So, why you like it,
You like all the screws, and tatoos, cool
But I can do,
You're telling, you're telling me

You're...
A little bit twisted
Can't feel your heart,
You want me to twist it for ya
A little bit twisted
(Tell me where it hurts)
Where does it hurt,
Tell me where to kiss it (kiss it)
Kiss it (kiss it), kiss it (kiss it)
Where does it hurt, tell me where to kiss it

I believe in you,
I got you ill
From all the love,
I'll try not to kill you,
Get close enough

But you know that cuts, scars, bruises hurt
So, why you like it, you like all the screws, and tatoos,
cool
But I can do, you're telling, you're telling me

You're...
A little bit twisted
Can't feel your heart,
You want me to twist it for ya
A little bit twisted
(Tell me where it hurts)
Where does it hurt,
Tell me where to kiss it (kiss it)

Kiss it (kiss it), kiss it (kiss it)
Where does it hurt, tell me where to kiss it

You need me more
To get you where you are
I'll push you how you want it,
Just tell me where to pull you
You want it harder, need it harder,
Girl, it's harder, it's how you like it,
Girl, it's been what you been missing
You need me to come and twist it for ya
I'll come and twist for ya, I'll even clean it for ya
I'll hurt ya if you like it and then I'll twist it for ya...

Twist it for ya... Twis-twis-twist it for ya
Twist it for ya... Twist it for ya... Twist it for ya...
Twis-twis-twist it for ya
Twist it for ya... Twist it for ya... Twist it for ya

A little bit twisted
Can't feel your heart,
You want me to twist it for ya
A little bit twisted
(Tell me where it hurts)
Where does it hurt,
Tell me where to kiss it (kiss it)
Kiss it (kiss it), kiss it (kiss it)
Where does it hurt, tell me where to kiss it

Twis-twis-twist it for ya
Twis-twis-twist it for ya
Twis-twis-twist it for ya
Twis-twis-twist it for ya
Twis-twis-twist it for ya

Where does it hurt, tell me where to kiss it
