Be mine
Valentine girl
There's not a star in the sky
That could equal to the sparkle in your eye
This heart is only one way
To let you know jusat how I feel
(Chorus) Will you be my valentine girl
And I gave you my heart forever
Be my valentine girl
And I won't let you go
No never
(Verse) All of the flowers that there
Could never take the place of being there

Although we only just met
You're everything to me
(Chorus)
(Music Break)
(Chorus)
Be my valentine
Girl, I need you
I want you
I want you in my world, valentine... (out)
