Look out of your windows, watch the skies
Read all the instructions with bright blue eyes
We're W.A.S.P's, yeah proud American sons
We know how to clean our teeth and how to strip down
a gun

'Cause we're the 51st state of America
Yeah, this is the 51st state of America
Yeah, we are the 51st state of America

Our star-spangled Union Jack flutters so proud
Over the dancing heads of the merry patriotic crowd
Yeah tip your hat to the Yankee conquerors
We've got no reds under the bed with guns under our
pillows

We're the 51st state of America
Yeah we are the 51st state of America
Yeah this is the 51st state of America

Here in the land of opportunity, watch us revel in our
liberty
Where you can say what you like, but it doesn't change
anything
Because the corridors of power are an ocean away

We're the 51st state of America
Yeah this is the 51st state of America
Yeah still we are the 51st state of America
51st state of America
