Get me out

Get up early every morning
Just to put your make-up on
The wardrobe's full of useless clothes
Your winter coats are gone

The jackal pack is feeding
The motorway sweeps down
The council tries to bribe the rich
Just to stay in town

Get me out, get me out of this place
Get me out, get me out of this trap
Get me out, out [Incomprehensible]
Get me out

Ysidro down to [Incomprehensible]
The pressure then starts to build
The bullets fly at random
When you least expect they will

Everybody feels guilty
So anyone can pay
I'm just surprised it does not happen
Every fuckin' day

Get me out, get me out of this place
Get me out, get me out of this fuckin' trap
Get me out, out [Incomprehensible]
Get me out

Here come the nineties
The temperature is rising
I cannot seem to loose the stains
When I wash my hands

And one world is rising
One world is dying
Just one's got its precious head
Buried in the sand

Get me out, out of this place
Get me out, get me out of this trap
Get me out, get me out [Incomprehensible]
Get me out

Get me out, get me out
[Incomprehensible]
