

New Model Army "Vagabounds"

Visit "[Vagabounds](#)" on [MotoLyrics.com](#)

We follow the taillights out of the city
Moving in a river of red
As the colours fade away from the
Dusky sunset

We roll for the darkness ahead

CHORUS:

We are old, we are young
We are in this together
Vagabounds and children
Prisoners forever
With pulses a-raging
And eyes full of wonder
Kicking out behind us again
Nighttime City Beat the radio is calling

The lost and lonely in vain
Out here we are running for the
Wide open spaces
The roadsmell after the rain

CHORUS:

We are old, we are young ...
And watching as a boy alone
At the keyside
The ships loading cargo in the night
Their names all calling to faraway places
The years go past, the miles go by
And still this childhood romance
Will not die ...

CHORUS:

We are old, we are young ...
