Yo, let me light that
Haven't I seen U somewhere before?
What's your name?
U come here often?
What's your sign?
Yeah
Yeah, my sign is Big Fun

(Big Fun) {sample repeats in BG of song}
Get freaky, let your head bob
Get freaky, let the head bob {x2}
Get freaky, get freaky (I wonder if she..)
Get freaky, let the head bob {x3} (Yeah)
Get freaky, get freaky

Psychedelic mama
Tell me girl, what's your sign?
U and me should get 2gether
It wouldn't be a waste of time
I got some new devices
Make U feel so good
I can't guarantee your safety
It oughta be understood
We could have big fun

CHORUS:
Get freaky, let the head bob {x2}
U and me should get 2gether doin' it on the one
We could have big fun
Get freaky, let the head bob {x2}
I could make U feel much better, give up the number
hon
We could have big fun (Hey)

I was checkin' 4 ya on the floor
I had my boys watchin' U since June of '94
Oh yeah, it's like that
I'm goin' 4 mine, U should go 4 yours
What the fuck U waitin' on baby?
Get your shit, let's hit the door!
We could have big fun

CHORUS

(Let's get outta here)
Get freaky, let the head bob {x2} (Hey)

Psychedelic mama
Come meet a friend of mine
We don't have 2 get 2 freaky
We can take a raincheck this time
Come and dig the funky music
I got some old shit U might get into
But next time we gonna get wild
'cause baby, U know it never was a sin 2
Have big fun

Get freaky, let the head bob
U and me should get 2gether doin' it on the one
We could have big fun (Thought U wanted 2 do that)
Get freaky, let the head bob
I could make U feel much better, give up the number
hon
(That's what U were checked 4)
We could have big fun (Hey)

Get freaky, let the head bob {x2}
Doin' it on the one
We could have big fun (Go outside?)
