I was dancing  
With your shadow  
Slow down memories hall  
I said, 'Wait. Have I been seduced and forgotten?'  
You said, 'Baby, haven't we all!'  
Now I don't like crying  
Because it only gets me wet  
But I can't help failing  
To remember to forget you  
And I know it's gonna be a long time  
And I'm crying like a church on Monday  
Praying for these feelings to go away  
So do me a favor baby  
Put down your new god  
And love me like Sunday again  
I was hiding in your bedroom  
When I saw him come inside  
I can't live in his shadow  
Is that where I'm dancing untill I die  
Now I don't light candles  
Because they make me see the light  
That I can't help failing  
To remember to forget you  
And I know it's gonna be a long time  
And I'm crying like a church on Monday  
Praying for these feelings to go away  
So do me a favor baby  
Put down your new god  
And love me like Sunday again
