You walk the streets
Never feel no guilt
You make your money selling guns on the playground

I'm so ashamed
Cause we're all the same
Killing in the name money is the game now

And you're buying bombs
And we pay the price
Eat your lies and we feed it to the children

Is this what you want?
Is this what you need?
You're gonna kill us all to bring peace

My blood
My soul
Is my enemy
My life
My love
Is poison to me
I know it's not how it's supposed to be
Got no choice
No voice
I have no dignity

You manipulate
With your bag of tricks
You're playing God with the world on my shoulder

Can't regulate
Cause the worlds at stake
We're so lost that we all think it's over

But I'm the one to blame
For this burning pain
It's eating up the world
And we gonna live it in shame
It's hard to maintain
When it's so insane
It's so, so insane

So kids don't listen to your parents
The parents can't teach us
All they ever left was a world in a mess

My blood
My soul
Is my enemy
My life
My love
Is poison to me
I know it's not how it's supposed to be
Got no choice
No voice
I have no dignity

We got no control of the state of our minds
Now I see that all I ever lived was a lie
We're all duped to believe that there's no way around,
There's no way around,
There's no way around,
There's no way around!

My blood
My soul
Is my enemy
My life
My love
Is poison to me
I know it's not how it's supposed to be
Got no choice
No voice
I have no dignity

My blood
My soul
Is my enemy
My life
My love
Is poison to me
I know it's not how it's supposed to be
Got no choice
No voice
I have no dignity
Dignity
Dignity
