CHORUS:

(I like funky music)
(I like funky music)
(I like funky music)
(I like funky music)

Everybody get on the floor
We got the groove U feel in your soul
When U're good 'n' funky, U can say U know
Dance 2 the funky music, come on

CHORUS

If U ain't got no partner U can use your hair
Shake it like a hooker, baby, I don't care
Whatever U do, U got 2 make the people stare
Dance 2 the funky music, yeah

CHORUS

This beat I got is specially designed (Specially
designed)
2 make U lose your phone number 2 somebody fine
The nastier U get, the funkier we got
My claim 2 fame is scandal, baby, and I ain't here 2
stop (Ow!)

(I like funky music)
(I like funky music)

I didn't come 2 trample on what U think is cool
I just wanna hip U 2 a brand new groove
If U like your funky mellow, this ain't 4 U
Dance 2 the funky music, shoo-bed-oo!

Yeah (CHORUS)
Uh-huh (Uh!)
Uh, uh, uh-huh
Uh, uh-huh
Uh, uh, uh-huh

Yo, the time has come once again 2 send
A dance groove that won't end
Don't pretend that your feet is tired
And grab my hand girlfriend
And move it, baby, move it
I know U can do it
Move it, baby, move it
I know U can do it, come on
I said come on

{Repeat CHORUS in BG till end }

Now let me tell U somethin'
Huh, lookin' so good on the floor
Make me wanna get 2 know U better
And dancin' all up next 2 U
Is a feeling I can feel 4ever
Being 2gether and doing what's clever
And been so hard 2 stop it, uh
I know no one could top it
Huh, yeah
This groove is funky
Huh, yeah
Yo N.P.G. ? drop it!

Huh, say what?
Huh, huh, say what?
Say, say what? Uh, uh, uh
Say, say, say what? Huh, uh, uh, uh

Yo, enough respect goes 2 The Artist and the N.P.G.
crew
And the whole New York and Uptown
And across the country massive
Big up yourselves 'cause it's comin' at cha loud
Alright?
