Summer's come
But I don't know why
It's so damn hard for me to do things right
Maybe if you just let me try
I can make you a believer
Make you a believer

You keep me hanging on the edge of time
You keep me hanging on the edge of time

Give me hope
And give me love
Give me whatever I want
'Cause what I want is someone
Like you
So give me truth
And let us pretend that we make love to the end
So give me hope
(Make love to the end... make love to the end...)

So, tell me baby what's your point of view
Like how am I doing here
Does it lead anywhere
And is there any way
For me to be sure that
I can make you a believer
Make you a believer

You keep me hanging on the edge of time
You keep me hanging on the edge of time

Give me hope
And give me love
Give me whatever I want
'Cause what I want is someone
Like you
So give me truth
And let us pretend that we make love to the end
So give me hope

All she wants is a funky rockin' rolla
She knows she's got the look

That's why she gives the cold shoulder
She keeps it hot even in December
This ain't about the weather
You're too hot!
Get out the sweater
I got the beretta
Without the sweater
It's so much better
We could all get wet
Or just all get wetter
It really doesn't matter I can make you a believer
You know what they say about rock n' roll

Give me hope
And give me love
Give me whatever I want
'Cause what I want is someone
Like you
So give me truth
And let us pretend that we make love to the end
So give me hope
