We got a wonderful show 4 y'all 2night, uh (Alright, I love it)  
But first off, before we get 2 the band  
We'd like 2 bring up this nice funny young man, uh  
(Look at that dog, man, give me one of them)  
Jimmy Joe go'n bring out here 2 open the show {crowd boos}  
Jimmy, come on out here and give us some jokes  
(Naw, get him off the stage)

OK, well hold on, oh, uh, uh (Come on, man)  
What did the fat lady say 2 the skinny man? (Who cares?)  
(Get your white ass off the stage!)  
(I paid 3 dollars man, I wanna see the band)  
Oh, oh, OK, I'll, I... (Sit down)

(N.P.G.! N.P.G.! N.P.G.! ...) {crowd chants}  
OK, well, ladies and gentlemen  
U didn't like my jokes  
I'm gonna introduce a wonderful band 2 U (Bring on the band)  
They're the hottest thing I know [nowadays]  
The N.P.G.! {crowd cheers}

That's right, we're the only band 2 bring it 2 U live  
After rockin' the house 4 3 straight hours, huh  
N.P.G., we're gonna wreck in '93 (Glam Slam, are U ready?) (Yeah!)  
(I said Glam Slam, are U ready?) (Hell yeah!)

Ooh, this is nice  
Yeah, I told U we would get good seats  
U didn't get good seats at the restaurant  
Well, well, U don't never trust nobody  
Shut up bald head motherfucker  
Sit, sit down here, I'ma go up here and do a song with them, sit down  
Go on, go on, stay, I came 2 see Tony anyway

Fellas, fellas, throw that shit down, kick something I

can sing  
Yeah, now U ... (That's what I'm talkin' about)  
U guys got some tootsie pops in here?  
(Yo, yo, yo, we got my boy, Johnny in the house)  
U got 2 have some tootsie pop, mmm, alright

Glam Slam granny with the hot pants on (Where she  
at?) (Hey, over here)  
Give me good lovin' till after dawn  
Johnny got a hat 'cause he don't trust pills (Goldnigga)  
( 'cause we damn skippy right)  
And if U don't love me then your sister will (Gold)

Now let me hear U sing damn it!  
Oh, oh, oh, oh, oh, oh! (Oh, oh, oh, oh, oh, oh!) {repeat  
4 times}  
Come on  
We gonna freak 2 the...  
(1 2, tell me what 2 do)  
(3 4, I'm about 2 score)  
Everybody (5 6, suck up on this)  
Johnny, drop it!

Tell me, tell me, tell me what am I suppose 2 do  
I never had another granny look like U  
Every time I see U, girl, my Johnny get hard  
Harder than the handle on the rake in my yard  
Harder than the brownstone brick on my house  
If I ever, ever, ever get U into my mouth (Yeah)  
I'll drink U like a 40 in an alcoholic's hand  
Baby, can't U understand?

I'm only fantasizing 'cause your love is tantalizing  
And it's got me burning rubber in my pants  
But I don't wanna do U till I spend the time 2 school U  
On the fine art of romance  
U got 2 know how 2 make love 2 me, below and above  
me  
In the back of my BMW "Z"  
The bang bang boogie, U will give it 2 me  
'cause Johnny will make U dance (Can we bring it up?)

Oh, oh, oh, oh, oh, oh! (Oh, oh, oh, oh, oh, oh!) {repeat  
4 times}  
Give it up  
Everybody  
We're gettin' sleazy

Shake it (Hot damn!)  
Yeah, hit it fellas  
Goldniggaz, this is funky

Y'all have 2 excuse me 4 a second  
What, U out?  
Yeah  
U out? I'm out

Mind if I join ya?  
Aren't U supposed 2 be up there singin'?  
Yeah  
Where's Prince?  
What do U mean "Where's Prince?"  
I thought he was gonna sing 2night  
Ah, ain't that a bitch?  
Come on, wait, come here  
Tony, where is he?

Levi (In the house)  
Who next on the agenda, who next on the agenda, who  
drop somethin'?  
(Bobby Brown)  
Bring it on (Bring it on)  
(Morris, where U at?)  
Time 2 school (Stop AIDS)  
Yo Tommy, yo Tommy, what U here 4, man?

Sweet keys  
(Play that motor scooter)  
Say what? (Don't be a fool)  
I don't know, I think we need a little self check  
(Saxophone, saxophone)  
Ah, what your background? (Damn!)  
That ain't workin', man  
What U think we need?  
Kathy J. (Ah yeah)  
See, that gonna straighten me right out  
That just straight... that just straightens me right out  
(Ooh)

N.P.G. (in the motherfuckin' house) {x3}  
N.P.G. (That's how we rollin')

{crowd noise}  
(Get a clap goin') {repeat}

Get a grip, Tone, get a grip (Can I, can I, can I?)  
Get a grip, Tone, get a grip (Can I grip it?)  
Get a grip, Tone, get a grip (Can I, can I, can I?)  
Get a grip, Tone, get a grip (Just 4 the ladies) (Holy  
Jesus)  
Hey baby, what U doin'?

I would like 2 introduce 2 U

What's your name, baby?

Chicanes

Chicanes?

Yo, grippin' the mic is like grippin' necks

But I only grip necks when a brother's on the B-side of  
some safe sex

That means the A-side I flip and commence 2 penetrate  
with the... (Oh)

Ooh, yeah ha

But enough about my propers

Brothers write 2 much about how they been endowed,  
boy

And God, I've been blessed with just enough 2 get the  
job done

Check it just like Ford (What?) - "Quality is job one"

2 get a grip, U need a handle, not a breaker 1 2

2 much said on the airwaves cause 2 much scandal

See, things got funny when I made my money

Why brothers got jelly when pockets get fat?

Their pockets equal fly honeys

An equation that just don't figure

'cause Tone is quick 2 bust a bubble on the butt of a  
gold digger

(So what U sayin'?)

U see, I worked 2 hard 4 this honey dip (Honey dip)

Check it, get a grip

Oh Tony, that was great

No no, serious shit, man, that was great

I'm telling U, believe me when I say

That this is just... this is rap at it's finest

Yes, I'm tellin' U, U know

(Who is this dude, man? Go on, get outta the way)

Alright, I just wanna...

(Get outta here!)

Johnny needs a Jim (Jimmy needs a job) {x3}

Johnny needs a Jim (Yo, let me borrow a couple of  
those)

Take a few packs Tone

I ain't goin out like that, U know what I'm sayin'?

Who got the 'lactics? (Gots 2 be protected)

Who got the 'lactics? (Ain't go'n rain on me!)

Oh, oh, oh, oh, oh, oh! (Oh, oh, oh, oh, oh, oh!) {repeat  
4 times}

Pick it up

Everybody

Feelin' funky funky fine in my deuce and a quarter

Feelin' funky funky fine  
Feelin' funky funky fine in my deuce and a quarter  
Feelin' funky funky fine

In my deuce and a quarter feelin funky funky fine  
And we're rockin' that stupid shit  
Well, well (Well, well, well)

U know Lord, it's really hard being the best band in the  
world  
And uh, we'd really like 2 thank U right now 4 all U  
done  
And the New Power Generation would like 2 say  
"Amen"

In my deuce and a quarter feelin funky funky fine  
And we're rockin' that stupid shit  
W - W - WNPG (Rollin' at 'cha)  
Comin' 2 U directly (Ha ha ha) (Come one) (Goldnigga)  
From Paisley (Put your shit up while U sleep)

(Gold) Goldnigga

We out  
We try that one more time? (Yeah)

Bring on number 1, bring on number 2, bring on the  
N.P.G. {repeat 4 times}  
Bring on number 1, bring on number 2

Now we out
