Another day, another dollar  
Your nigga's home  
Don't make me holler  
Is anybody home?  
Hmm, I guess not  
Let's see what's on the hellavision

U like the food here?  
(Yeah)  
Good, huh?  
(It's alright)  
Try the canolli, it's fabulous  
(I'm kinda full, alright)  
Mmm  
U gonna eat that meatball there?  
U, U just gonna let it..  
Maybe girl made some food out here  
Here, give it 2 me  
U're not gonna eat it  
(At least not now)  
Mmm, let's see what I can get up here 2 grease on  
Mmm, yeah  
Best meatball in the city  
What are U doin' there?  
Hmm, this might work  
(Give it 2 me, I'll eat it)  
Lemme see, mmm  
So tell me, U like broads?  
(They're alright, I...)  
Yep  
Boy, have I got a broad story 4 U  
Yeah, some corn, yeah  
(Jesus)  
Let's see, uh  
I'm on a date with this broad, right?  
Lets' see, stove top directions, uh  
I bring her here  
(Here?)  
Yeah, right here  
I thought I'd put some food in her belly  
Empty contents into small sauce pan, hmm

U know, get a little curve in her slope  
U know what I'm sayin?  
(Slope?)  
Right...  
Now let me go see if I can find one of these  
muthafuckers, hmm  
(Oh, gosh)  
So I'm like "Go ahead toots, order what U like, it's on  
me"  
Make her think I'm a big shot, U know  
I said "So order, order somethin' 4 me 2  
I'm gonna run 2 the little boys room  
Hmm, shit, that definitely ain't no sauce pan  
I gotta burp the baby  
Mmm, that ain't no sauce pan  
U know what I'm sayin'?"  
I figured she'd order me somethin' light  
Let me see if I can find this shit  
Like a couple of salads or somethin'  
Boy, was that a mistake  
(Why?)  
I comes back from the bathroom  
Alright, got it, got it  
I'm sittin' there  
Ah, that's cool  
Waitin' 4 the food  
Now, if I can just get this corn open  
This broad ordered the whole left side of the menu!  
OK, let's see  
Said she just wanted 2 nibble  
Where's the damn can opener? Shit!  
Nibble my ass  
I'll open this muthafucker  
I'm hungry!  
This broad ate every fuckin' thing except the silverware  
Shit ain't openin'  
(Come on)  
I kid U not  
{phone rings}  
Shit's gonna open now  
I mean, she was a little on the thick side 2 begin with  
Alright, I got it, mmm hmm  
U know what I mean?  
But I figured she'd have the decency 2 pig out when  
she got home  
Talk  
(Hey brother, what's up?)  
Not here, right?  
(Right)  
I mean U, U ever had a broad do that?  
Ain't nothin' but a wang

(No, not really)  
Fuckin' pisses U off, am I right?  
My girl's gone somewhere  
Right, so I reaches over  
I... I'm just cookin'  
I took the fuckin' mashed potatoes and I threw 'em all  
over that broad  
Hey, hey, what's this?  
(Now wait a minute)  
That ain't all though, check this out  
Hmm, let me call U back  
(What?)  
The waiter sees what just happened  
What the...  
He's gonna be Mr. Macho, right  
He comes over and says  
"What U do that 4?"  
"I'm sick of the changes U put me through?"  
(And U said?)  
I said "What the fuck business is it of yours?  
I'm payin' 4 these fuckin' potatoes  
"All U think about is music?"  
I'll do what the fuck I wanna do with'em!  
Now bring me a fuckin' finger bowl!"  
"I'm leavin' your NBA no ballin' ass?"  
(What happened?)  
What happened?  
I'll tell U what happened  
Ain't that a bitch?  
Here, gimme some of that meatball  
(Hey, hey, I was gonna eat that)  
This punk waiter, he think he's the hero type, right  
Punk  
He throws the finger bowl on my head  
I kid U not  
I'm sittin' there, head soakin' wet  
Mashed potatoes in my finger nails  
And this broad's crackin' up  
(Ha ha ha ha)  
I kid U not  
She's rollin' on the carpet, people...  
Gimme some water there  
(Hey, hey, get...)  
People leavin' the restaurant  
She's laughin' so hard potatoes are flyin' off her head  
(U got mad?)  
Damn right I was mad!  
I said, "Very funny"  
(Well, it is kinda funny)  
And I left her fuckin' ass right there  
Rollin' in those fuckin' mashed potatoes

And I left this joint with out payin' a dime  
(Well, what are U eatin' here now 4 I mean?)  
That's the killer!  
I was so mad I bought this joint  
(But the girl...)  
Fuckin' right  
(What happened 2 her, man?)  
That's her over there, workin' the fuckin' cash register  
(Naw, her?)  
U gonna eat this?  
(That's the mashed potato girl?)  
Here, gimme this bread  
(She's, she's great, what do U mean?)  
Is this the best bread in the city or what?  
What the fuck's your problem?  
(Look at her, she's, she's gorgeous)  
U eat like a fuckin' parakeet  
(What...)  
I'm still hungry  
U hungry?  
(Naw, naw)  
Naw, U not hungry  
U want some bird seed or somethin'?  
Look here, order me somethin'!  
(Man, shut up now)  
I'm gonna run 2 the little boys room
