My love
It ain't you, it ain't you,
It's just a phase I'm going through
It ain't you, it ain't you,
Don't tell me you don't feel it too

You, me, them
We're not at all the same
We see things different
Chain me down
Feed me your medicine
I'm losing control

I feel tired, the walls are closing in
I give in

My love
It ain't you, it ain't you,
It's just a phase I'm going through
It ain't you, it ain't you,
Don't tell me you don't feel it too

You, me, them
We're all a bit insane
Lost and deceived
Hold my breath
Promise you wont forget
Me if I succeed

I feel tired the walls are closing in
I give in

My love
It ain't you, it ain't you,
It's just a phase I'm going through
It ain't you, it ain't you

I can't break through this mess
I can't see through this mess
I can't go through this mess
I can't live in this mess
I am feeling so numb I could die

My love
It ain't you, it ain't you,
It's just a phase I'm going through
It ain't you, it ain't you

And now I see the things I did
It broke me down, ripped my heart
I patch it back and watch it die
Watch it die inside

My love
It ain't you, it ain't you,
It's just a phase I'm going through
It ain't you, it ain't you
Don't tell me you don't feel it too

My love
My love
My love
My love
My love
