90 miles outside Chicago  
Can't stop driving  
I don't know why  
So many questions  
I need an answer  
Two years later  
You're still on my mind

Whatever happened to Amelia Earhart?  
Who holds the stars up in the sky?  
Is true love just once in a lifetime?  
Did the captain of the Titanic cry?

Someday we'll know if love can move a mountain  
Someday we'll know why the sky is blue  
Someday we'll know why I wasn't meant for you

Does anybody know the way to Atlantis  
Or what the wind says when she cries?  
I'm speeding by the place that I met you  
For the 97th time tonight

Someday we'll know if love can move a mountain  
Someday we'll know why the sky is blue  
Someday we'll know why I wasn't meant for you  
Someday we'll know why Samson loved Delilah  
One day I'll go dancing on the moon  
Someday you'll know that I was the one for you

I bought a ticket to the end of the rainbow  
I watched the stars crash in the sea  
If I could ask God just one question  
Why aren't you here with me tonight?

Someday we'll know if love can move a mountain  
Someday we'll know why the sky is blue  
Someday we'll know why I wasn't meant for you  
Someday we'll know why Samson loved Delilah  
One day I'll go dancing on the moon  
Someday you'll know that I was the One for you

P.S. Seeing you in February was great  
Cliches eventually all come true  
"Time heals all wounds"  
I went to get us our 9th drink  
And you ran out the door with another guy  
I woke up on the floor with my shoes on  
A smile on my face and I didn't even care
