Have mercy, uh
The exodus has begun (The exodus has begun!)
Have mercy, uh
The exodus has begun

Now these are the names of the New Power Generation
(These are the names)
The funkier suckers of the new gold nation
Polyvinyl acetate, New Power Soul
Guaranteed 2 stick 2 the roof of your Oldsmobile
muthafucka

CHORUS:
Long live the New Power!
Have mercy
Generation after generation, the soul will never die
(The exodus has begun)
Long live the New Power!
Have mercy
We don't cry, we don't die, we just multiply

Polyvinyl acetate, New Power Soul (Mercy)
The exodus has begun
These are the names of the children of the sun
Pumpin' the love sign in the days of wild
Tearin' shit up with a vengeance and still they smile
(Still they smile)
Though their lives were made bitter with hard labor and
no pay
These are the children that will come 2 save the day
(These are the children)
The exodus has begun
Have mercy

CHORUS

La da da da, da da daaa (U ain't gonna hurt me)
Sho do do do do doo (Have mercy)
La da da da, da da daaa (U ain't gonna hurt me)
Have mercy

(Behold)
Behold the children of the New Power
Are more and mightier than U (Mighty, mighty)
U that have scorned and held back the inevitable
Must now come 2 grips with the truth
(All that is good in the eyes of heaven)
All that is good in the eyes of heaven
Will rebuke your powder monkey ways
(Have mercy, mercy, mercy)
And let that same heaven have mercy
When the wrath of the sun knocks upon your gate

Have mercy
The exodus has begun
(New... New Power!)
Uh, brothers and sisters
(Stop me if U want, it's between U and me)
The exodus has begun
Uh (New Power!)

Just..
Just cause..
Just cause it's.. (Have mercy)
Just cause it's nasty..
Just cause it's nasty it don't..
Just cause it's nasty it don't mean..
Just cause it's nasty it don't mean a.. {loop}
Just cause it's nasty it don't mean a thing

All that is good is nasty
All that is good, all that is good (Have mercy)
All that is good in heaven (The exodus has begun)
All that is good, all that is good (Have mercy)
All that is good in heaven (The exodus has begun)

Long live the New Power! (Long live)
Have mercy
Generation after generation, the soul will never die
The exodus has begun
Long live the New Power! (Long live)
Have mercy (Live a little while)
We don't cry, we don't die, we just multiply

Spatch cocks in black face offer us pennies (Offer us pennies)
When it's millions and millions upon millions they reap
(When it's millions, when it's millions) (Pluck his eye again!)

How in the world can we call ourselves equal
When their wages outweigh
When their wages outweigh the time that they keep?

(Pluck his eye again!)
And if they stood up and behaved like the humans
they're supposed 2
As opposed 2 the way they are not
Then this New Power Soul would not be so soulful
(Then this New Power Soul would not be soulful)
And the water they're in would not be so hot
(And the water would not be so hot)
The exodus has begun (The exodus has begun!)

Have mercy
Uh (The exodus has begun!)
The exodus has begun
Now sing

Long live the New Power!
(Long live a New Power where all that is good in
heaven)
Brothers and sisters
Long live the New Power!
(The exodus has begun!) (Have mercy!)
(Long live a New Power where, where... mercy!)

Come on
(The exodus has begun!) Uh
(Long live) Have mercy
Play muthafuckas (The exodus has begun!) Uh
(New Power) Have mercy
(Long live the New Power!) Yes muthafuckas, yes
The exodus has begun!
(Generation after generation, the soul will never die)
Have mercy
(Long live the New Power!) Yes muthafuckas, yes
The exodus has begun!
(We don't cry, we don't die, we just multiply) Have
mercy

La da da da, da da daaa (Yes muthafucka, yes)
Sho do do do do doo (Have mercy) Uh
La da da da, da da daaa (Yes muthafucka, yes)
(New Power) Have mercy

Oh yeah, U can sing
But what the fuck are U complainin' about baby?
Oh yeah, I will read your big ass
'cause I think U're thinkin' about readin' me
And when the people ask U everywhere
Is that really all your hair?
Tell'em U don't tell a lie
Bald-headed son of a motherfuckin' housefly
And like George said (What?)

Get satisfied
Let's get satisfied, let's get satisfied
(Ha, ha, ha, ha, ha, ha...)
La da da da, da da daaa
Sho do do do do doo (New Power!) (Have mercy)
La da da da, da da daaa
(Long live the New Power!) Whoo, yeah, yeah

(Stop me now)
Stop this muthafucker like we intend 2 finish, yeah
(New Power!) (Have mercy)
Mercy
(Long live the New Power!) A New Power
(The exodus has begun!) (Have mercy)
(Generation after generation, the soul will never die)
Oh, yeah
(Long live the New Power!)
Shit, y'all can't fuck with me (The exodus has begun!)
(We don't cry, we don't die, we just multiply)
La da da da, da da daaa (The exodus has begun!) Oh,
oh
(New Power!) (Have mercy) Oh
La da da da, da da daaa (The exodus has begun!) Oh,
oh

{refrain repeats in BG}
(Wait a minute, let me check my messages)
Spatch cocks in black face offers us pennies
When there's millions and millions that they reap
Millions and millions that they reap
What the fuck is that about?
What the fuck is that about?
What the fuck is that shit about?
We don't play that muthafuckin' shit!
U think we got a muthafuckin' joystick up our ass or
somethin'?
Fuck that!
I don't know what U thinkin' about
But the exodus has begun muthafuckas!
(New Power!)
The exodus has begun

U ain't gonna hear that shit nowhere else
Ha, ha, ha

This shit is dedicated 2 the memory of His Royal
Badness
I know his name, that muthafuckin' Prince
Rest in peace nigga!
