If U're lookin' 4 the man that will walk away from
responsibility
I ain't the one {x3}
And if U're lookin' 4 the brotha that'll treat U like
anything but a queen
I ain't the one

But if U're lookin' 4 a man that'll sweep U off your tired
weary feet
Pay your bills, buy U pretty dresses
And take U anywhere U wanna eat
Make love 2 U every night of the week
Oh, don't think it over, girl
Look no further
I am the one
Oh yes I am

If U're lookin' 4 a man that'll make big money
And keep it all 2 himself
I ain't the one
No, no - not me
And if U're lookin' 4 a man that'll have 10 women
And confuse it all with his wealth
Listen here, I ain't that one
No, no no - wait a minute

If U're lookin' 4 a man who can share his dinero (His
money)
Buy U half the town (Half the town)
Treat every step U take (Every step)
As if U're walkin', huh, on holy ground (Holy ground)
Place U, place U above all others
When it comes, when it comes 2 the gettin' on down
(Down)
Look no further, ooh
Your man's around (He's around)
Oh yes he is

He's standing right here, right here (Right here, right
here)
Don't U look no further, girl

He's standing right here, right here

(I am the one) {x2}

If U're lookin' 4 a man that'll make U feel like time has
just begun, ooh

A man that'll make U feel like U're the only thing that
ever mattered

Underneath the sun, underneath the sun, ooh

If U're lookin' 4 somebody

Who will turn your bad day into one long night of fun

Look no further, baby

I'm? I'm the one

Oh yes I am

I am the one

Don't U look no further, girl

Oh, I am the one

Oh yes, oh yes, oh yes, oh

My, my, my little Mayte

I'm the one
