Wake up kids  
We've got the dreamers disease  
Age fourteen  
They got you down on your knees  
So polite  
You're busy still saying please  
Frienemies  
Who when you're down ain't your friend  
Every night  
We smash their mercedes-benz  
First we run  
And then we laugh till we cry  
But when the night is falling  
you cannot find the light (light)  
If you feel your dreams are dying  
Hold tight...

You've got the music in you  
Don't let go  
You've got the music in you  
One dance left  
This world is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget  
We only get what we give

Im coming home baby  
Your the tops  
Give it to me now!

Four a.m. we ran a miracle mile  
We're flat broke but hey we do it in style  
The bad rich  
God's flying in for your trial  
But when the night is falling  
You cannot find a friend (friend)  
You feel your dream is breaking  
Just bend...

You've got the music in you

Don't let go  
You've got the music in you  
One dance left  
This world is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget  
We only get what we give

This whole damn world can fall apart  
You'll be ok  
Follow your heart  
You're in harms way  
I'm right behind  
Now say you're mine...

You've got the music in you  
Don't let go  
You've got the music in you  
One dance left  
This world is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget we only get what we give  
Don't let go  
I feel the music in you

Fly high  
What's real can't die  
You only get what you give  
You're gonna get what you give  
dont give up  
Just dont be afraid to live :)

Health insurance rip off lying  
F.D.A. big bankers buying  
Fake computer crashes dining  
Cloning while they're multiplying  
Fashion shoots with beck and hanson  
Courtney Love and Marilyn Manson  
You're all fakes  
Run to your mansions  
Come around  
We'll kick your ass in!!

Don't let go  
One dance left  
Don't give up  
Can't forget
