Wake up kids

We've got the dreamers disease
Age 14 we got you down on your knees
So polite, you're busy still saying please
Fair-enemies, who when you're down ain't your friend
Every night we smash a Mercedes-Benz
First we run and then we laugh till we cry

But when the night is falling
you cannot find the light
If you feel your dreams are dying
Hold tight
You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget we only get what we give

Four a.m. we ran a miracle mile
were flat broke but hey we do it in style
The bad rich
God's flying in for your trial

(chorus)when the night is falling
and you cant find a friend
feel you tree is breaking just bend
you've got etc

This whole damn world can fall apart
You'll be ok follow your heart
You're in harms way
I'm right behind
Now say youre mine

(chorus)

Fly high

What's real can't die
You only get what you give
You're gonna get what you give
Just don't be afraid to live
Health insurance rip off lying FDA big bankers buying
Fake computer crashes dining
Cloning well they're multiplying
Fashion shoots
with the aid of Beck and Hanson
Courtney Love and Marilyn Manson
You're all fakes
Run to your mansions
Come around
We'll kick your ass in!

Don't let go
One dance left

(unsaid lyrics from liner) Championed by a soulless
media misleading

people unaware they're bleeding

No one with a brain is believing

It's so sad you lost the meaning

Never knew it anyway

Human natures so predictable

I'm a fool to do your dirty work whoa, who!
