Those heartaches now are on their way
What makes you want to be that way
You cheated on me and you lied
YouÃ¢â€Œ™ ve put teardrops in my eyes

I found out what they say is true
I hope someday that youÃ¢â€Œ™ ll be blue
And then youÃ¢â€Œ™ ll know dear why I try
With these teardrops in my eyes

The news is out all over town
That youÃ¢â€Œ™ ve been seen out runninÃ¢â€Œ™
round
I turned my head and gossip flies
'Cause it puts teardrops in my eyes

I found out what they say is true
I hope someday that youÃ¢â€Œ™ ll be blue
And then youÃ¢â€Œ™ ll know dear why I try
With these teardrops in my eyes

I never thought youÃ¢â€Œ™ d let me down
But now at last I understand
YouÃ¢â€Œ™ ve wrecked my life and broke our vow
YouÃ¢â€Œ™ ll have to pay for it somehow

I found out what they say is true
I hope someday that youÃ¢â€Œ™ ll be blue
And then youÃ¢â€Œ™ ll know dear why I try
With these teardrops in my eyes
With these teardrops in my eyes
