Where I go?
Where to live?
When you gone away...

Sorry I...
Feel like crying
You wouldn't stay with me...

And every time and place
Caught up memories in life...
Lovely lazy days
This feeling is long gone bye...

Shy like an angel
You're shy like an angel...
You got my passion from the...
Very start

Shy like an angel
So shy like an angel
You take my soul away...

My dreams live on
For so long
It hurts inside so strong...

But vision stays
Before my eyes
No one can comes inside...

And every sun that shines
Rising for you and me

And every tear I cry...
Push my feeling...
Oh, what a feel!

Shy like an angel
You're shy like an angel...
You got my passion from the...
Very start

Shy like an angel
So shy like an angel
Don't take my soul away...

Shy like an angel
You're shy like an angel...
You got my passion from the...
Very start

Shy like an angel
So shy like an angel...

Don't take my soul...
My only soul away...
