Notice me, Take my hand...why are we strangers when,
Our love is strong
why carry on without me, Everytime I try to fly I fall
without my wings I feel so small..I guess I need you
baby
and everytime I see you in my dreams I see your face
it's haunting me
I guess I need you baby

I make believe that you are here, it's the only way I see
clear
what have I done?
you seem to move on easy

and everytime i try to fly i fall without my wings i feel so
small
i guess i need you baby
and everytime i see you in my dreams i see your face
your haunting me i guess i need you baby

i may have made it rain, please forgive me , my
weakness caused you pain
and this song's my sorry

at night i pray, that soon your face will fade away

everytime i try to fly i fall without my wings i feel so
small, i guess i need you baby, and everytime i see you
in my dreams i see your face your haunting me, i
guess i need you baby
