Dancing Evorybody wants to se me
Dancing
Just all the time all my muscles shout and cry
They will lead my dance until I die
Dancing Evorybody wants to se me
Dancing
Just all the time where are gone those lucky days
When they called me Queen Flamingo Grace?

For you my Fairy Prince
For you my Orient Pearl
For you my Fairy Prince
For you my Orient Pearl

Danced all my sorrows away
Paris Opera you called me back Daphnis
London Festival The Rite of our Spring
Then a Russian Fair with that old Fire Dance
Then a Swan is dying in a cabaret, for you
I was dancing always dancing

When I was young I had a dream most everynight
A dream of Music and with a shadow by my side
Now Music is my life the shadow's over me
Will I will I forget with a fantastic pirouette?
Or will I just become some tip-tap through the night?
Please let me see the sun

Everybody wants to see me shaking now
Everybody wants to see me shaking
Everybody wants my show
I'd like to fly I'd like to fly

Tonight I'll fly my feet as wings above the floor
Above the time above the dark
And once more I'll wander I'll wander with you

Nurejev a l'Opera de Paris
Look at me please do the same Madame Fontaine
Hey come to the Folies Berg?res
Fred Astaire don't piss me off
Barishnikov I've been a star Mister Lifar

Dancing Evorybody wants to se me
Dancing just all the time
Dancing
