Keep on movin' with the time  
keep on movin' if you wanna stay alive.  
Keep on movie, life is a challenge, so stay in love  
if you wanna stay alive (2).  
Keep on truckin' down my way  
Uncle John has the dude gone here?  
Keep on movin' with the time  
keep on hopin', hopin' for the best  
if yuo wanna stay alive.  
You can fly that moving star  
you can win or lose  
try together, we reply  
'cause it's your life, it's your life  
if you wanna stay alive!
