Remember the day you up and left
I nearly cried myself to death, oh yeah
And then I met someone else
She made me stop and get ahold of myself

Oh girl, I'm doing fine now, without you baby
I'm doing fine now, without you baby

Remember the day you walked away
I ran behind you and I begged ya to stay, oh yeah
But you never heard a word I said
You kept on stepping, never turning your head, yeah

Oh girl, I'm doing fine now, without you baby
I'm doing fine now, without you baby
I'm doing fine now, without you baby
I'm doing fine now, without you baby
I'm doing fine now, without you baby
Now you had a chance now baby, baby
I'm doing fine now, without you baby
So you made your choice now baby,
Baby
I'm doing fine now, without you baby
You didn't want me around
I'm doing fine now, without you baby
Now you had your chance now baby,
Baby
I'm doing fine now, without you baby
So you made your choice now baby,
Baby
I'm doing fine now, without you baby
Oh, you didn't want me around
