A new bad girl, who get on my block
I gave her my keys, said don't bother to knock
I said c'mon, ya got what I need
I said come on, don't make my heart bleed

(I'm beggin')
Whoah bad girl, whatcha tryin to do
What is the matter with you
Bad girl what are you tryin to do

Cus I'm early in the morning, not too late at night
And you're tryin to tell me everythings alright
Then you're gonna ask am I gonna take it slow
I said don't you worry there's no place to go
(my bad girl)

I'm walkin to the corner, to go in th cafe
That's when I seen her, a'walkin my way
She's all dolled up, in her waitress' skirt
I said c'mon, don't make my heart hurt

(I'm beggin')
Whoah bad girl, whatcha tryin to do
What is the matter with you
Bad girl what are you tryin to do

With my twenty dollar bills, and you can keep the
change
All you gotta do is get down in my range
If you're gonna ask me am I gonna take it slow
I said don't you worry there's no place I gotta go

(you're bad, bad, so bad)

(I'm beggin')
Whoah bad girl, whatcha tryin to do
What is the matter with you
Bad girl what are you tryin to do

I'm beggin please little lover, stop this carryin on
Gotta get some lovin before the planet is gone
If you're gonna ask me, am I gonna take ya home

I says dontcha worry, there's no place I gotta go
(my bad girl...)

Hey bad girl, I know why you're bad
But don't ya know, it just make me glad
When everybodys gonna put you down
Lookin for your friends, I'll be around

(I'm beggin')
Whoah bad girl, whatcha tryin to do
What is the matter with you
Bad girl what are you tryin to do

I'm beggin please little lover, stop this carryin on
Gotta get some lovin before the planet is gone
A nuclear bomb, come an' blow us all away
Come on bad girl give me some lovin today

Right here
Right now
