You're designed so intelligent  
Ain't no way that was an accident  
C'mon shake your monkey hips  
My pretty little creationist, oh, yeah

Ain't gonna anthropomorphism you  
Or perversely polymorphisise you

Little girl you look so sweet  
You gotta dance like a monkey  
Dance like a monkey, child

You just started ten thousand years ago  
Presto Adam and Eve and go man go  
Abel died, Cain took his life  
And headed straight to the jungle to find a wife

Non-believers blame it all on apes  
It's monkey time, I wanna see you shake

Evolution is obsolete  
You gotta dance like a monkey, dance like a monkey,  
child  
Stomp your hands and clap your feet  
You gotta dance like a monkey, dance like a monkey,  
child

Oh, one more time, yo  
It's monkey time

C'mon pretty baby, won't you take a chance?  
Be my natural selection, dance, dance, dance  
Exercise your demons with that monkey grin  
'Cause we're gonna inherit the wind

Let 'em fight it out in the supreme court  
That's such a madly indoor sport  
Wave your arms and legs in the air  
Rock it like a monkey like you just don't care

Evolution is so obsolete  
Gotta stomp your hands and clap your feet, come on

You gotta dance like a monkey, dance like a monkey  
You gotta dance like a monkey, dance like a monkey,  
child  
Dance like a monkey, dance like a monkey, child  
Dance like a monkey, dance like a monkey  
Dance like a monkey, dance like a monkey, child
