Pum, pum, pum  
A-doo, doo-doo  
Pum, pum, pum  
A-doo, doo-doo

I'm a fool for you, baby  
That's what it takes to get in your mind  
I'm a fool for you, baby  
It takes a fool to spellbind

I've been through every fanaticism  
Politics, God and vandalism

A fool for you, baby  
I can't play it cool  
I'm a fool for you, baby  
I know I'm a fool

Gonna sing to you my foolish song  
And it goes  
Dum-dum-did, a-didi-dum-dum  
A-dum-dum-didi, dum-didi-dum-dum

If the words come out wrong  
At least she's not alone  
A-doom-dum-didi-le  
I'm a fool for you, baby  
Don't you break my heart

I'd jump off the Staten Island ferry  
Won't be no one left for you to bury  
Call me up, I'll be there in a hurry  
Whoa, yeah

Baby, I'm a fool for you  
Yeah, you're the one that changed my mind  
I'm a fool a fool for you, baby  
I won't kiss you all the time

A-didi-dum-didi, a-did-dum-dum  
A-dum-dum-didi-didi  
Dum-did, a-didi-dum-dum

Dum-didi, a-didi-dum-dum, yeah

I'm a fool a fool for you, baby  
That's just the way it goes  
Yeah, I'm a fool for you, baby  
That's the song I composed
