Well if you don't like it  
Go ahead, find yourself a saint  
Go ahead now,  
Try to find a boy  
Who's gonna be what I ain't

Now what you need is  
A plastic doll with a fresh coat of paint  
Who's gonna sit through the madness  
And always acts so quaint  
Said yeah yeah yeah

With your new friend  
You're really making a scene  
And I see you bouncing around  
From machine to machine

And you know  
They're never real, they're  
Never what they seem  
And you can try to generate some warmth  
And you see just what I mean  
I said yeah yeah yeah

And if I'm acting like a king  
Well that's cause  
I'm a human being  
And if I want too many things  
Don't you know that I'm a human being  
And if I've got to dream  
Baby baby baby yeah  
I'm a human being  
And when it gets a bit obscene (wooah)  
I'm a human being

And I've just got to go around  
With my head hung down  
Just like a human, babe,  
An unknown human being  
And I can hold my head so high  
Cause I'm a human, a riff raff human being

Why won't you give me a little sip  
Why don't you try me on a drag of that cigarette  
Why don't you try to give me something that  
I will never ever forget

But now don't you blow it all  
On a million dollar bet  
Because you're liable to lose it  
On the best lovin' you've had yet  
I'm beggin yeah yeah oh yeah

And if I'm acting like a king  
Well that's cause I'm a human being  
I want too many things  
Don't you know that I'm a human being  
And if I've got to dream I said well,  
I'm a human being  
And when it gets a bit obscene (wooah)  
I'm a human being

And I've got to go around  
With my head hung down  
Just like a human, babe  
An unknown human being  
And I can hold my head so high  
Cause I'm a human, a riff raff human being

In fact I'm talking about the human race  
You're trying to cover up the big disgrace  
I said yeah yeah yeah,  
Oh c'mon c'mon c'mon  
Yeah, yeah, oh yeah

Well I may think that this whole scene is  
Just a too appalling for me  
Or I may be the type who's just a mad about  
Every little thing that I see  
Well I can color that with mystery  
Or make it just what I want it to be  
While I'm blowing my change on the fan magazines  
With all the hollywood refugees, screaming  
Yeah yeah, oh yeah

And if I'm acting like a king  
I said well, I'm a human being  
And if I want too many things  
Don't you know that I'm a human being  
And if I've got to dream  
Baby baby, I'm a human being  
And when it gets a bit obscene (wooah)  
I'm a human being

And I've got to go around with my head hung down  
Just like a human being  
We're all just human being  
And I can hold my head so high  
Cause I'm a human, a first class human being

I'm a human being  
I'm a human being  
I'm a human being  
I'm a human being
