When I come down and all my money is spent  
Try as I may, I don't know where it went  
For the good times and all the fun that I had  
Just can't remember when I felt so bad

It don't make no sense and it seems so odd  
And it makes me wonder if there's a God

I ain't got nothing after the fall  
I ain't got nothing, I got no one to call  
I ain't got nothing, feeling so small  
I ain't got nothing, nothing, nothing at all

This is not how the end should have come  
Who could imagine this when I was young?  
Where is everybody?  
It's not the way I wanted it to be

But the path I took, they all have outgrown  
The party's over, I'm all alone

I ain't got nothing after the fall  
I ain't got nothing, feeling so small  
I ain't got nothing, I got no one to call  
I ain't got nothing, nothing, I got nothing at all

All the magic I swore that I knew  
Just disappeared, it hasn't left a clue  
No one's talking on my behalf  
Here in the silence as I force a laugh

There was a time I could'a cried  
Even my feelings have crawled up and died

I ain't got nothing after the fall  
I ain't got nothing, I got no one to call  
I ain't got nothing, against the wall  
Now, ain't that something, nothing, I got nothing at all?
