When I come down
And all my money is spent
Try as I may, I don't know where it went
All the good times
And all the fun that I had
Just can't remember when I felt so bad
It don't make no sense
And it seems so odd
And it makes me wonder if there's a God

I ain't got nothing
After the fall
I ain't got nothing
I got no one to call
I ain't got nothing
Feeling so small
I ain't got nothing
Nothing, nothing at all

This is not how
The end should have come
Who could imagine this when I was young?
Where is everybody?
It's not the way I wanted it to be
But the path I took
(???)
The party's over
I'm all alone

I ain't got nothing
After the fall
I ain't got nothing
Feeling so small
I ain't got nothing
I got no one to call
I ain't got nothing
Nothing, I got nothing at all

All the magic
I swore that I knew
Just disappeared, it hasn't left a clue

No one's talking
On my behalf
Here in the silence as I force a laugh
There was a time
I coulda cried
Even my feelings have crawled up and died

I ain't got nothing
After the fall
I ain't got nothing
Feeling so small
I ain't got nothing
Against the wall
Now ain't that something?
Nothing, I got nothing at all...
