I always seen you, just before the dawn
When all the other kids, where just draggin along
I couldn't believe the way it seemed to be
Rememberin the things, you used to say to me

(about...)

You know I can't be wastin time
Cus gotta get my fun
I got to keep on movin
Cant stop til it's all done

Listen when I tell ya, you got no time for fix
Cus I just gotta make it, cant afford to miss
And there's one reason, I'm tellin you this
I feels bad....
And I'm lookin for a kiss

Why wontcha tell me, why those kids are moving so
slow
Is it just because they don't have no place to go
When the day starts breakin, the sun is gonna shine
It's hard to sleep, when I been cryin

(and...)

All you ladies are on
Your way to church
(I'm beggin)
Will I just be a' roamin
Lookin turn to a search

Listen when I tell ya, you got no time for fix

Cus I just gotta make it, cant afford to miss
And there's one reason, I'm tellin you this
I feels bad....
And I'm lookin for a kiss

Well I been lookin for a real hot kiss...

You think it's bad, but you know that it's true
So why don't let me live baby
When I'm lookin for a kiss

When everyone goes to your house, they shoot up in
your room
Most of them are beautiful, but so obsessed with gloom

I ain't gonna be here, when they all get home
They're always lookin at me, they wont leave me alone
I didnt come here, lookin for no fix
(I know...)
I been houndin the street all night late baby
Justa lookin for a kiss

I need fix and a kiss

I didnt come here, lookin for no fix
(I know...)
I been haulin booty, all night long
Just lookin for a kiss
